Frequently Asked Questions

Get to know more about Infomedia.

Birmingham, AL, (2019)—

Q: What type of business is Infomedia?

A: Infomedia is a full-service web company. We provide everything a client could possibly need, from building an entire website to streamlining ecommerce systems and creating unique marketing plans for brands. We focus on creating truly custom sites that meet all the client's individual needs.

Q: What services does Infomedia provide?

A: No request is too big or small for Infomedia. We focus on building digital solutions for clients, whether that means creating a brand-new website from scratch or just fine-tuning their current one. We offer website design and development, custom copywriting, search engine optimization, ecommerce services and more. Once a client's project is finished, they'll continue to receive assistance from Infomedia through our Birmingham Alabama-based support team who are just an email or a call away.

Q: Who are some of Infomedia's clients?

A: Infomedia's portfolio includes a wide range of institutions, including financial establishments, retail stores, churches, medical practices, governments and legal firms. Some of these clients include Taziki's, O'Neal Industries, Brasfield & Gorrie, American Cast Iron Pipe Company and Birmingham Holocaust Education Center.

Q: When was Infomedia founded?

A: Infomedia was founded in 1994. In 1996, the company was purchased by current CEO John Lovoy.

Q: Where is Infomedia located?

A: The company's main office is located in Birmingham, Alabama, with two additional offices based in Destin, Florida and Nashville, Tennessee.
